EXCURSION - DESERT DINNER SAFARI

Adventurous afternoon & evening in the desert

With a Toyota Landcruiser we go to the desert of Dubai. We drive along the beautiful sand dunes (and 'Ghaf' trees) and enjoy a romantic sunset on the highest dune in the endless desert. Because of the peace and quiet around us we forget for a while the hustle and bustle of the bustling city! All the ingredients for an Arabic night under the stars are present....

After an adventurous drive through the desert (dune-bashing) we reach the traditional Arabian camp, where we enjoy a delicious BBQ in the cosy atmosphere of the camp. Under the stars a belly dancer enchants us with the rhythms of Arabic music. While we relax in the Bedouin tent and enjoy a refreshing drink, our hands are decorated with graceful henna patterns. If desired, we can make a short camel ride, or taste a shisha.
